Four-In-Hand Knot

Start with the wide end on your right. Extend it about 12" below the narrow end. Cross the wide end over the narrow, and back underneath. Bring the wide end around passing it across the front of the narrow. Pass the wide end up through the loop. Hold the knot loosely and pass the wide end down through the loop in front. Hold the narrow end of the tie and slide the knot up snug.

Windsor Knot

Start with the wide end of the tie on your right. Extend it about 12" below the narrow end. Cross the wide end over the narrow, and bring it up through the loop. Bring the wide end down, around behind the narrow, and up on your right. Put this end down through the loop and across the narrow. Turn the wide end, and pass it through the loop. Slip the wide end through the knot in the front. Tighten and draw up to the collar.

Half-Windsor Knot

Start with the wide end on your right. Extend it about 12" below the narrow end. Cross the wide end over the narrow, and back underneath. Bring the wide end up, and turn down through loop. Pass the wide end around to the front from your left to right. Bring the wide end up through the loop. Pull the wide end through the knot in front. Tighten and draw up to collar.
